Get Involved, Be a Friend!

FRIENDS OF ARCHAEOLOGY

Do you find yourself spending your vacations wandering among ruins and visiting archaeology museums across the globe? At the Cotsen Institute of Archaeology (CloA), there are ways to get involved in archaeological research in Los Angeles and beyond.

Join the Friends of Archaeology, the CloA's support group dedicated to sponsoring graduate student education, faculty research, publications, and many other initiatives.

As the archaeological program rated first in the nation, the CloA attracts top faculty and students, whose excellence thrives if they are given the means to develop new directions. Your support builds on the core tasks of the Institute, and enables the many groundbreaking initiatives, sophisticated theoretical approaches, innovative field research, and publications for which we are known.

For more information about membership benefits and events contact the FoA President Jill Silton at jsilton@ioa.ucla.edu.
